**Announcement from TUNP School**

**Honesty in the administration of TUNP School**

The Secondary Educational Service Area Office Pathumthani focuses on maintaining integrity and transparency in accordance with the policy announced according to the Civil Servant Code B.E. 2552 (2009) the Basic Education Commission's Compliance Manual on The Conduct of Civil Servants. Office of the Basic Education Commission, B.E. 2552 (2009) Code of Ethics civil servants, Office of the Basic Education Commission Notification of the Office of the Basic Education Commission dated December 15, 2021 regarding the policy on transparency and auditability and in accordance with the Integrity and Transparency Assessment Manual of Government Agencies (Integrity and Transparency Assessment : ITA) of the Office of the National Anti-Corruption Commission and The Office of the Government Anti-Corruption Commission.

TUNP School studied and developed an action plan to prevent and suppress corruption as required by the Office of the Basic Education Commission 2010– 2022 (phase 3) covering transparency, liability, and safety from operational fraud. In addition, we believe that the conduct of all teachers and educational personnel must be responsive to the needs of society. The action plan is for the benefit of students and parents, and requires all civil servants, teachers and educational personnel to behave with dignity while performing their duties in accordance with their responsibilities, and to review practices and consider how to improve their behavior.

I would like to state my intention as an administrator of TUNP School to encourage all government officials, teachers and educators to perform their work with integrity, transparency, and efficiency. We are ready to maintain the interests of the state and to provide fairness and equality in society.

I hereby confirm that TUNP School will adhere to the government's commitment to transparency.

and auditability. The school's vision states that "TUNPis a leading school whichhonors the virtues of living with the philosophy of a sufficiency economy, committed to improving education to international standards."

I would like to express my intent to all teachers and educators that I will be responsible for the prevention and suppression of corruption in the school. With a sense of responsibility and awareness of the existing responsibilities, we will endeavor to perform our duties with full intelligence, integrity, honesty, and consciousness, knowing what is right, what is wrong, what should and should not be done to ensure that work is free of penalties, and to make the most of the benefits of good governance in the administration, and to stand up against all forms of corruption.On behalf of the school director of TUNP School, I would like to announce our intention to operate with honesty in accordance with the principles of good corporate governance, and to be auditable and responsible for ensuring that to society. The school has an anti-corruption policy detailed below that applies to all aspects of its operations, and it is committed to making Triamudomsuksanomklao Pathumthani School a sustainable and transparent government institution.

1. Perform all legal procedures. The school requires allpersonnel to perform their duties in accordance with the applicable laws and regulations.

2. Cultivate and raise awareness of anti-corruption issues, and to distinguish between personal benefit and public interest. This will cultivate a moral conscience and prevent corruption in the school administration, as well as developing a strong and effective internal balance in order to achieve an anti-corruption culture. This will assist the personnel in Triamudomsuksanomklao Pathumthani School to realize the adverse consequences of corruption against the government and the country.

3. Do not accept all the corruption platforms and do not tolerate social sanctions that affects the image of the organization.

4. Raise the awareness of the students of TUNP School, to realize the adverse effects of corruption and to combat corruption.

5. Together create communication, dissemination and public relations channels to support the operation as a network of anti-corruption cooperation.

6. Consulting, guidance, including follow-up and evaluation of the performance, such cooperation together, and all other actions in the field of anti-corruption and anti-corruption shall be carried out.
