

Declaration of Pibool Upphatham School  
Honesty intention in school management of Pibool Upphatham School

---

I, Dr.Porrathon Khewchart, the Director of Pibool Upphatham School, hereby declare and express the intention to adhere to democracy with the king as the head of the country, ready to support the implementation of the project to strengthen morality, ethics and good governance in educational institutions in order to promote the "Anti-Corruption School's Activities", to drive the national strategy on the prevention and suppression of corruption. I will strive to manage the work with honesty in accordance with the mission of Pibool Upphatham School. Govern and manage all teachers and staff to perform their duties based on common interest as a priority, committed to operating in accordance with official regulations and code of ethics, serving with fairness, honesty, promptness, and be aware of the dynamics of corruption in accordance with standards of working to build confidence in society. Pibool Upphatham School intends to fight against all forms of corruption and is a clean organization without corruption by following.

His Majesty's footprint inherits the king's science through the process of understanding, accessing and developing and applying the philosophy of sufficiency economy to life and promoting its use in the development of the quality of education in order for the citizens of the nation to have quality and integrity. Later, Thailand is stable, prosperous and sustainable.

Declared on 17<sup>th</sup> May, 2022.

(Dr. Porrapol Kaewchart)

Director of Pibool Upphatham School
