

## Announcement of Udomseelwitthaya School

### Declaration of Intent to Comply with the Policy on Integrity and Transparency

-----

Udomseelwitthaya School is committed to being a virtuous organization that operates with transparency, honesty, and integrity in both management and daily conduct. The school actively promotes and encourages teachers, educational personnel, and students to be aware of, and to take a stand against, all forms of corruption. This is to enhance organizational efficiency and standards, ensuring effective governance in accordance with the principles of good governance.

Udomseelwitthaya School hereby declares its intent to be a virtuous and transparent organization with the following practices:

1. Perform official duties with fairness, honesty, and in the spirit of following the late King's guidance by doing good for the nation.
2. Uphold integrity in public service management, be punctual, and prioritize the public interest over personal gain.
3. Instill values and build an organizational culture of honesty, justice, transparency, and accountability.
4. Work with determination, dedication, and sacrifice to ensure successful outcomes in official duties.
5. Encourage participation in promoting integrity and transparency in all departments.
