Subject: Policy of Not Accepting All Kinds of Presents and Gifts from Performing Duties (No Gift Policy)

.....

In accordance with the cabinet resolution on August 8, 2020, which aligns with the National Reform Program's Prevention and Suppression of Corruption and Misconduct Section (revised), the reformation activity titled "Creating Transparency in Thai Bureaucracy" has been established. Its first objective requires all state agencies to announce a "No Gift Policy," prohibiting the acceptance of any presents or gifts during the performance of duties.

In support of this reformation plan, Muang Chaliang School is committed to driving the reformation plan, building transparency within the organization, and reinforcing workplace ethics. The school declares that all civil officials and personnel are prohibited from accepting any gifts or presents on any occasion. In cases where acceptance is unavoidable, staff must adhere to the regulations for government officials (2001) and the National Anti-Corruption Commission's guidelines on receiving property or benefits in accordance with the ethics of officials (2020).

This announcement is to be strictly observed by all concerned.
